

LifeNet Health works with a number of Organ Procurement Organizations (OPO) and Tissue Banks (TB) throughout the country. As these organizations are focused primarily on organ donation and tissue recovery, LifeNet Health is responsible for donor screening, tissue processing, and distribution services for our OPO/TB Partners.

For Musculoskeletal tissue, these include:

Blood and Tissue of Central Texas
Center for Organ Recovery and Education
Florida Tissue Services
LifeBanc
LifeLink of Florida
LifeNet Health Transplant Services
LifeShare of the Carolinas
Louisiana Organ Procurement Agency
New England Organ Bank

Carolina Donor Services
Indiana Organ Procurement Organization
Gift of Life - Michigan
Lifeline of Ohio Organ Program
Kentucky Organ Donor Affiliates
Nevada Donor Network
Life Source
Washington Regional Transplant Community
